

# Strategy Name Equivalencies

February 24, 2024

## Contents

Different brokers will use strategy names different from those used here. These are equivalencies:

- Naked Put = Short Put
- Naked Call = Short Call
- Debit Spread:
  - Call Debit Spread = Long Call Vertical = Bullish Debit Spread
  - Put Debit Spread = Long Put Vertical = Bearish Debit Spread
- Credit Spread:
  - Call Credit Spread = Short Call Vertical = Bearish Credit Spread
  - Put Credit Spread = Short Put Vertical = Bullish Credit Spread
- Risk Reversal = You will have to build it yourself as there is no prebuilt strategy for it in some brokers, but the name would still be Risk Reversal.
- Short Strangle
- Iron Condor = Normal Iron Condor
